About Snakk Media Ltd

Mobile advertising technology company Snakk Media offers a full suite of mobile creative, content and technology services, empowering the world's leading brands and agencies to accurately reach and engage with consumers on their mobile devices. The company generates revenue every time it successfully targets and delivers an ad across its networks of mobile websites, apps and games. The ads are targeted to ensure the right audiences see them at the right time and place.

Snakk's business units include [Represent Media](#), a division that sells mobile ad inventory for premium publishers, and [Touch Create](#), a mobile-first creative agency that complements Snakk's portfolio of audience-targeting, geo-location and native advertising technologies.

Snakk was one of the first public companies in the world that met the rigorous social and environmental performance standards required to become a certified B Corporation.
